

## **DEPARTMENTAL HONORS IN AGRICULTURE**

The Department of Agriculture at Illinois State University invites qualified Agriculture majors of superior ability to apply for admission to the Department of Agriculture's Honors Program. The student completing the Honors Program graduation requirements will receive an Honors Degree in Agriculture which will be indicated on the student's official transcript and diploma.

### **ADMISSION REQUIREMENTS**

In order to be admitted to the Honors Program in Agriculture, a student must have completed at least sixty (60) semester hours of post-secondary courses and have a cumulative grade point average of at least 3.5 on a 4.0 scale. Application should be made to the Department's Honors advisor.

### **GRADUATION REQUIREMENTS**

In order to graduate as an Honors Graduate in Agriculture, a student must meet the standard University and Department graduation requirements and have:

1. A University grade point average of at least 3.5.
2. A grade point average of at least 3.7 for courses taken in the Department of Agriculture.
3. Successfully completed two in-course honors in 200-level or higher courses in the student's technical area.
4. Successfully completed one in-course honors course in a 200-level or higher course offered outside the Department of Agriculture.
5. Successfully completed a minimum of three credit hours of AGR 299, Independent Honors Study.

Approved November 1980
